Letter of Commitment

Project Product Owner

I, **Hasan Talha Akçakıl**, agree to act as the Product Owner for the student project titled **Aktour ViaBalkan** during the **Spring 2026** academic term.

I understand that the primary goal of this role is to act as a stakeholder and guide for the student team. My commitment involves the following:

- **Availability:** I commit to being available for **3-4** meetings/calls throughout the project duration to clarify requirements and discuss project scope with students.
- **Requirement Setting:** Clearly defining the "what" and the "why" of the project goals.
- **Feedback:** I will provide constructive feedback on the team's progress, deliverables, and alignment with the intended goals.
- **Decision Making:** I will act as the final authority on project priorities, helping the team understand trade-offs and requirements as they arise.

I understand that this is a learning experience for the students, and I intend to provide guidance that fosters professional growth and practical skill development.
